Notes:

The Garibaldi Cultural Heritage Initiative is contingent. The new Board will be asked if they can perform this grant, since 3 board members recently resigned.

Tillamook County Historical Society was reduced. Pacific City Sun and Tillamook County Pioneer were not-eligible. Only Oregon Coast Today and website are eligible.

Board wishes to strengthen application process. Perhaps analytics (prior or post-application) or the VTC Academy (prior to application) will be considered as part of future grant application processes.

The remainder of \$18,370 will be re-purposed for dory videography, events, sponsorships, and other.
